

2010 IEEE

Compound Semiconductor IC Symposium

INTEGRATED CIRCUITS IN GaAs, InP, SiGe, GaN
and OTHER COMPOUND SEMICONDUCTORS

October 3-6, 2010
Monterey, CA, USA

Sponsored by the IEEE Electron Devices Society
Technically co-sponsored by the Solid State Circuits Society
and the Microwave Theory & Techniques Society

Date: 4/12/2010
Subject: Corporate Benefactor

Dear Corporate Benefactor,

The IEEE Compound Semiconductor IC Symposium (CSICS) has become the pre-eminent international forum on developments in integrated circuits using compound semiconductors. The 2010 Symposium will be in beautiful Monterey, CA, October 3-6, 2010. As you may also know, CSICS offers a Corporate Benefactor program. I would like to invite you to consider sponsoring our symposium at either of the two Benefactor levels below.

Silver Sponsor - Continental Breakfast/Coffee Break Benefactor - \$3000

- Highlighted as a Benefactor in the Plenary Session Opening Comments
- Identified as a Benefactor at the coffee break or continental breakfast
- May handout promotional material pens, mugs...
- A sign will be posted at the event indicating the Benefactor
- A link to Benefactor site from the CSIC WEB site
- Inclusion in the Advanced Program as Corporate Benefactor

Gold Sponsor - Theme Party/Opening Reception Benefactor - \$6600

- Highlighted as a Benefactor in the Plenary Session Opening Comments
- Identified as a Benefactor at the Symposium Theme party or Opening Reception
- May handout promotional material pens, mugs...
- A sign will be posted at the event indicating the Benefactor
- A link to Benefactor site from the CSIC WEB site
- Inclusion in the Advanced Program as Corporate Benefactor

Information about the Symposium can be viewed at: <http://www.csics.org>

Please contact me if you would like more information or if you would like to pledge your corporate support.

Thank you and I sincerely look forward to hearing from you.

Best regards,

Dave Halchin
